

UHF Fiberglass Omnis

19

FR Series Fiberglass Omnis

Cushcraft's UHF fiberglass series is best suited to base station and talkaround applications. The versatility in frequency and gain selection combined with a highly reliable solid brass radiator provide exceptional value for superior RF performance. The quality design of the integrated pigtail and N-female connector are excellent weatherproofing features. Mounting hardware is included facilitating installation.

FR SERIES OMNIS

- Highly reliable brass radiator
- 3 dBi and 5 dBi models available
- Designed for effortless installation
- Mounting hardware included
- Integrated pigtail and N-female connector
- Exceptional value

Typical FRX E-plane

Typical FR E-plane

Common Specifications

VSWR - 1.5:1
Polarization - Vertical
Impedance - 50 Ohms
Pigtail - 12" (30.5 cm) UltraLink
Connector - N female
Wind Survival - 125 mph (200 kph)
Enclosure Material - Fiberglass
Power - 150 Watts
Mount Style - Tube end
